Multi-Channel Candidate Outreach & Engagement

Automate outreach and engage with candidates through email, SMS, or WhatsApp.

Qualify Thousands of Candidates in Minutes

Let our AI select questions based on the JD or you chose from our questions library. Then let Glider Co-Pilot qualify for skill, interest, and fit.
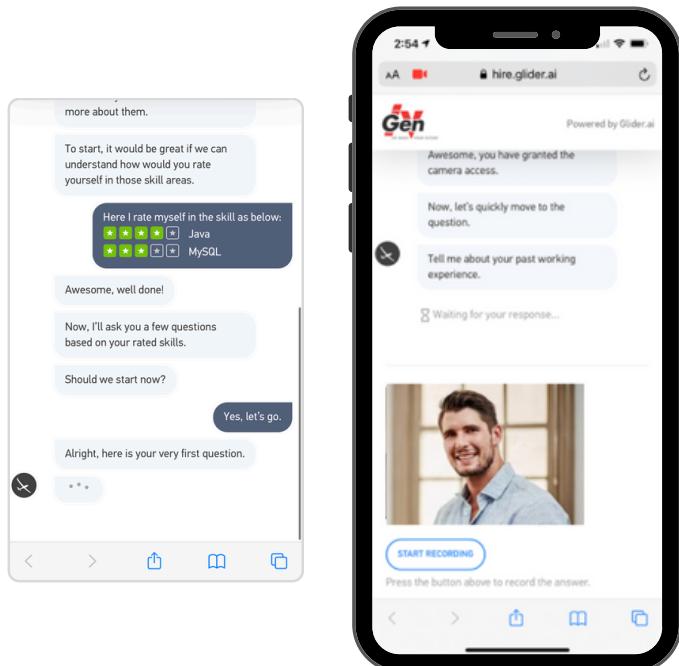

1. Sequence outreach

3. Engage & qualify

4. Record interview

5. Schedule next steps

Create an Awesome Candidate Experience

Customize and Include company branding
Add to your recruiting workflow and integrate with your HR tech stack

Let AI engage and qualify candidates, capture rates, shift preferences, availability, and licenses

Accelerate top-pick selection with candidate summaries and auto-grading powered by AI
